

I am not looking for a job.
I create jobs...

with help from the NEF.

The NEF has helped create and support over 30 000 jobs to date and we are always looking to fund black entrepreneurs looking for start-up or expansion capital of between **R250 000 and R75 million**. With over R4.4 billion approved for black businesses to date, and the mentorship support that we provide to our investees, the NEF means business. Come

talk to us today regarding business loans for products ranging from start-ups, procurement, franchising, equity acquisition, rural and community development, expansion, new ventures, green-fields, feasibility studies for industrialisation purposes, to liquidity and warehousing needs. The NEF, your funder with a soul.

If you are a black South African and you have a business idea that needs funding, please call 0861 843 633 (THE NEF) or go to www.nefcorp.co.za, www.nefbusinessplanner.co.za.
