## The NEF joins the Nation in honouring the life and legacy of Dr Sam Mokgethi Motsuenyane

[SOUTH AFRICA] – The National Empowerment Fund (NEF) joins the nation in honouring the life and legacy of Dr Sam Mokgethi Motsuenyane, one of the most distinguished pathfinders in our country’s quest for economic liberation and inclusive growth.

As a visionary and a pioneer, he was at the forefront of the mission to restore the dignity and economic citizenship of black people across all sectors and has bequeathed a template and a historic injunction that we are humbled to serve.

The NEF sends our most profound sympathies to the Motsuenyane family, friends, Foundation, and fraternity.

Robala ka Kagiso Mokwena wa Modimosana-a-Nonyana.

NEF Acting Chief Executive Officer  
Mr Mziwabantu Dayimani
